The Hon'ble Rao Bahadur M. Venkatarangaiya Naidu Garu,
Retired Secretary, to the

Mysore Residency.

Sir,

With reference to Government
Proceedings No. C. 1076-77 Mus. dated 2nd
April 1897, sanctioning an estimate
for Rs. 1425-13 annas Rs. 560 for repair-
-ing the Sree Venkata-
-ramanaswami temple and the
Sevaram Pushkarini at Kikkeri
in the Malur Taluk, I have the honor
to submit herewith the record sheet
with Malur's Amildar's report No. 108
dated 25th April 1902, from which it
is seen that work to the extent

of Rs. 9944/- and Rs. 1975/- have been respectively done for the temple and the Purkhaeini. —

2 Of the work provided in the Sanctioned estimate for the repair of the temple, only the compound wall has been completed. The remaining work could not be taken in hand as alterations were found necessary in some of the items provided for in the Sanctioned estimate, especially in the repair of the Main-building at certain places where the walls have sunk to some extent. Rather than send up a revised estimate for the whole work including the required alterations and additions, I have considered it desirable to close the Sanctioned estimate for the work done up to date amounting to Rs. 9944/- and submit a separate estimate for the further work required for the temple. I therefore request that the measurements now submitted for Rs. 9944/- may be taken in final adjustment of the estimate for —

Rs: 1425-13-0 already Sanctioned.

3 As regards the Pushkarini (pond), an area of Rs: 475/- has already been spent on it in repairing the steps. I do not consider it necessary to spend the balance of Rs: 65/- on the work. If the tank is to be permanently and substantially improved, it will have to be deepened considerably and then lined up. This will, however, cost over a thousand rupees and as it does not appear to be very urgent, it may therefore be left for another opportunity. I would... therefore request that the enclosed bill for Rs: 475/- may be taken in final adjustment of the already Sanctioned work.

4 If my proposals contained in para 2 are approved, I shall submit a fresh estimate for the further works that have to be urgently done for the temple. In this estimate, one providing among other

items, for the construction of the
drainage works referred to in
my letter No $\frac{3042}{478}$ dated 23rd
January 1901.

I have the honor to be,
